ROXETTE-TOURISM (2 LP'S) - 1992-FIRST PRESS UK/EU-GERMANY-EMI-077779992911. A very rare original of the cult album..Tourism: Songs from Studios, Stages, Hotelrooms and Other Strange Places is the fourth studio album by Swedish pop duo Roxette, released on August 28, 1992 by EMI. Despite the fact that Roxette was often mistaken for a live album, the album was described in its comments as a "touring album": the band recorded most of their material in numerous recording studios in between concerts of their world-famous band " Join the Joyride! Excursion". The album contains three live concert recordings, while another track was recorded live in an empty nightclub in Sao Paulo. Two more tracks were recorded in Buenos Aires' The Alvear Palace Hotel.The album received mixed reviews from American publications upon its release, with some confusing its concept and incorrectly describing it as containing only five previously unreleased songs. It also underperformed the Billboard 200, peaking at number 117 on the chart and selling about 278,000 copies-far short of the million-dollar joyride. However, the album was a commercial success in Europe and was certified platinum in many territories. As of 2001, Tourism has sold over 6 million copies worldwide.Vinyl records in a clean top condition - NMINT / ARCHIVE. The cover is a matte spread in top condition - NMINT / ARCHIVE.
