"Rhapsodies" (Rhapsody) - the 8th album by Rick Wakeman (double), includes Rhapsody works as the Rick and some other authors. Recorded this album in 1978 and early 1979 in a home Studio Wakeman "La Grange Studios", as well as in Switzerland, in the Studio, "Mountain Studios" (Montreux). Produced by Tony Visconti (previously worked with David Bowie, Marc bolana group "sparks"), he played acoustic guitar. The release took place in may 1979 on the label of A&M. Critics praised this album's different, but relatively low compared to previous albums. Sam Wakeman said that he did not plan to create something outstanding, he just tired from the countless tours with the band "Yes" and decided to relax, doing exactly the music which he at that moment was like. JETHRO TULL-BROADSWORD AND THE BEAST-1982-FIRST PRESS UK-CHRYSALIS-CDL1380. The Broadsword and the Beast is the 14th studio album by the rock band Jethro Tull, released on April 10, 1982. The album is a cross between the dominant synthesizer sound of the 1980s and the folk-influenced style that Jethro Tull used in the previous decade. Thus, the band's characteristic acoustic instruments are complemented by electronic soundscapes provided by the new keyboardist Peter-John Vettese. The electronic aspects of this album will be further explored by the band in their next release, In Secret. In the notes to the remastered version of the album, Ian Anderson expresses the opinion that Broadsword contains some of the best music of Jethro Tull. Vinyl record in top condition - NMINT/ARCHIVE. MCCARTNEY, PAUL-PIPES OF PEACE-1983-FIRST UK PRESS-PARLOPHONE - PCTC1652301 .Pipes of Peace (Rus. Peace pipe) – the fifth solo Studio album Paul McCartney, released in 1983. Being produced after which enjoyed great success album, Tug of War, Pipes of Peace was received by the public is also quite good and many songs from it became hits, but music critics have made the album much cooler than a Tug of War..When the album was released, many critics noted that Pipes of Peace is similar to its predecessor, the album Tug of War, in many ways. The album was also produced by George Martin; the album was attended by the two songs created in collaboration with the same artist (in a Tug of War – with Stevie wonder; this time the co-author was Michael Jackson); continued cooperation with Ringo Starr, ex-guitarist of the band "10cc" Eric Stewart; in the recording of the material (but last) was attended by Denny lane. The reason for all this was that many of the songs on the album, was recorded in 1981 during the recording sessions for an album Tug of War; the rest ("Pipes of Peace", "The Other Me", "So Bad", "Tug of Peace" and "Through Our Love") was recorded later, in September and October 1982. In November 1982, McCartney began to make a film on his own script, "Give my regards to broad street" (eng. Give My Regards to Broad Street), where he also starred in the lead role along with Linda, Ringo Starr and Tracey Ullman; the shooting of the film took almost all of his time throughout 1983. Because I'm too busy with filming (and for reasons to pause after the release of the previous album), the release of Pipes of Peace was delayed until October 1983.Vinyl record in original sealed condition-ARCHIVE .

Bananas – the seventeenth Studio album by British rock band Deep Purple, released in 2003, and their first Studio album, recorded without Jon Lord on keyboards. David Jeffries from the site Allmusic.com gave the album four stars out of five. A critic noticed that the CD "has all the signs of frustration": it is missing the keyboard parts of Jon Lord, always give sound Deep Purple special color, and the title and cover too eccentric. However, he said, surprisingly, really amazing album: Lord successfully replaced don Airey, the songs perfectly listen to the vocals of Ian Gillan are still good and the sound quality doesn't cause complaints.
